

EVALUATION PRODUCT LICENSE AGREEMENT

By using this Evaluation Product, You are agreeing to be bound by the terms and conditions of this agreement. Do not use this Evaluation Product until You have read and agreed to the following terms and conditions. The use of the Evaluation Product implies automatically the acceptance of the following terms and conditions.

LICENSE. STMicroelectronics (“ST”) grants You the right to use the enclosed evaluation board only to evaluate and test ST products, including any incorporated and/or accompanying demonstration software, components and documentation (where the documentation is an essential part of this license) (collectively, the “Evaluation Product”) solely only for your evaluation and testing purposes. The Evaluation Product shall not be, in any case, directly or indirectly assembled as a part in any production of Yours as it is solely developed to serve evaluation purposes and has no direct function and is not a finished product. Certain demonstration software included with the Evaluation Product may be covered under a separate accompanying end user license agreement, in which case the terms and conditions of such end user license agreement shall apply to that demonstration software.

EVALUATION PRODUCT STATUS. The Evaluation Product allows You only to evaluate and test the ST products. You are not authorized to use the Evaluation Product in any production system, and may not be offered for sale or lease, or sold, leased or otherwise distributed. If the Evaluation Product is incorporated in a demonstration system, the demonstration system may be used by You solely for your evaluation and testing purposes. Such demonstration system may not be offered for sale or lease or sold, leased or otherwise distributed and must be accompanied by a conspicuous notice as follows: “This device is not, and may not be, offered for sale or lease, or sold or leased or otherwise distributed”.

OWNERSHIP AND COPYRIGHT. Title to the Evaluation Product, demonstration software, related documentation and all copies thereof remain with ST and/or its licensors. You may not remove the copyrights notices from the Evaluation Product. You agree to prevent any unauthorized copying of the Evaluation Product and related documentation.

RESTRICTIONS. You may not sell, assign, sublicense, lease, rent or otherwise distribute the Evaluation Product for commercial purposes (unless you are an authorized ST distributor provided that all the other clauses of this EVALUATION PRODUCT LICENSE AGREEMENT shall apply entirely), in whole or in part, or use Evaluation Product in production system. Except as provided in this Agreement or in the Evaluation Product’s documentation, You may not reproduce the demonstration software or related documentation, or modify, reverse engineer, de-compile or disassemble the demonstration software, in whole or in part.

The Evaluation Product is addressing only skilled and training technical people for

laboratory usage and shall be used and managed according to the terms and conditions set forth in the related documentation provided with the Evaluation Product.

According to European Semiconductor Industry Association (ESIA) letter, "ESIA Response on WEEE Review (May 2008) of the Directive 2002/96/EC on Waste Electrical and Electronic Equipment (WEEE)"; Semiconductor products and evaluation & demonstration boards are not in the scope of the Directive 2002/96/EC of the European Parliament and of the Council on waste electrical and electronic equipment (WEEE). Consequently aforementioned products do not have to be registered nor are they subject to the subsequent obligations.

NO WARRANTY. The Evaluation Product is provided "AS IS" and "with all faults" without warranty of any kind expressed or implied. ST and its licensors expressly disclaim all warranties, expressed, implied or otherwise, including without limitation, warranties of merchantability, fitness for a particular purpose and non-infringement of intellectual property rights. ST does not warrant that the use in whole or in part of the Evaluation Product will be interrupted or error free, will meet your requirements, or will operate with the combination of hardware and software selected by You.

You are responsible for determining whether the Evaluation Product will be suitable for your intended use or application or will achieve your intended results.

ST shall not have any liability in case of damages, losses, claims or actions anyhow caused from combination of the Evaluation Product with another product, board, software or device.

ST has not authorized anyone to make any representation or warranty for the Evaluation Product, and any technical, applications or design information or advice, quality characterization, reliability data or other services provided by ST shall not constitute any representation or warranty by ST or alter this disclaimer or warranty, and in no additional obligations or liabilities shall arise from ST's providing such information or services. ST does not assume or authorize any other person to assume for it any other liability in connection with its Evaluation Products.

All other warranties, conditions or other terms implied by law are excluded to the fullest extent permitted by law.

LIMITATION OF LIABILITIES. In no event ST or its licensors shall be liable to You or any third party for any indirect, special, consequential, incidental, punitive damages or other damages (including but not limited to, the cost of labour, re-qualification, delay, loss of profits, loss of revenues, loss of data, costs of procurement of substitute goods or services or the like) whether based on contract, tort, or any other legal theory, relating to or in connection with the Evaluation Product, the documentation or this Agreement, even if ST has been advised of the possibility of such damages.

In no event shall ST's aggregate liability to You or any third party under this agreement for any cause action, whether based on contract, tort, or any other legal theory, relating to or in connection with the Evaluation Product, the documentation or this agreement shall exceed the purchase price paid for the Evaluation Product if any.

TERMINATION. ST may terminate this license at any time if You are in breach of any of its terms and conditions. Upon termination, You will immediately destroy or return all copies of the demonstration software and documentation to ST.

APPLICABLE LAW AND JURISDICTION. In case of dispute and in the absence of an amicable settlement, the only competent jurisdiction shall be the Courts of Geneva, Switzerland. The applicable law shall be the law of Switzerland. The UN Convention on contracts for the International Sales of Goods shall not apply to these General Terms and Conditions of Sale.

SEVERABILITY. If any provision of this agreement is or becomes, at any time or for any reason, unenforceable or invalid, no other provision of this agreement shall be affected thereby, and the remaining provisions of this agreement shall continue with the same force and effect as if such unenforceable or invalid provisions had not been inserted in this Agreement.

WAIVER. The waiver by either party of any breach of any provisions of this Agreement shall not operate or be construed as a waiver of any other or a subsequent breach of the same or a different provision.

RELATIONSHIP OF THE PARTIES. Nothing in this Agreement shall create, or be deemed to create, a partnership or the relationship of principal and agent or employer and employee between the Parties. Neither Party has the authority or power to bind, to contract in the name of or to create a liability for the other in any way or for any purpose.

RECYCLING. The Evaluation Product is not to be disposed as an urban waste. At the end of its life cycle, differentiated waste collection must be followed, as stated in the directive 2002/96/EC.

In all the countries belonging to the European Union (EU Dir. 2002/96/EC) and those following differentiated recycling, the Evaluation Product is subject to differentiated recycling at the end of its life cycle, therefore:

It is forbidden to dispose the Evaluation Product as an undifferentiated waste or with other domestic wastes. Consult the local authorities for more information on the proper disposal channels.

It is mandatory to sort the Evaluation Product and deliver it to the appropriate collection centers, or, when possible, return the Evaluation Product to the seller.

An incorrect Evaluation Product disposal may cause damage to the environment and is punished by the law.
